

Dear Parents and Families,

As you know, our students took the STAAR tests this spring. In June, you will be able to access your child's STAAR results in the Parent Self Serve in TEAMS or by logging into [texasassessment.gov](https://www.texasassessment.gov). The attached information will assist you in accessing your student's results.

The STAAR is one of many ways to measure student learning. The information at [texasassessment.gov](https://www.texasassessment.gov) provides a detailed breakdown in each subject, identifying your child's strengths as well as areas where they may need additional support. Parents have shared that seeing which questions their child got incorrect has been the most useful. You will also see easy to use resources that can be used at home over the summer focused on the skills your child needs the most support with.

For more information about STAAR, visit [texasassessment.gov](https://www.texasassessment.gov). Scroll to the bottom of the page, and click on the STAAR icon.

We wish you and your family a healthy and restful summer.

Estimados Padres y Familias,

Como ustedes saben, nuestros estudiantes tomaron las pruebas STAAR esta primavera. En junio, usted podrá acceder a los resultados de STAAR de su hijo en el Autoservicio para Padres en TEAMS (**Parent Self Serve**) o iniciando sesión en [texasassessment.gov](https://www.texasassessment.gov). La información adjunta le ayudará a acceder a los resultados de su estudiante.

El STAAR es una de las muchas formas de medir el aprendizaje de los estudiantes. La información en
